Dear Fellow Scout Worker:

My attention has been called to the fact that Scouting in Desoto County was Pioneered by the Late Edd Scott, that the Scouts who received instruction from Mr. Scott had nearly all succeeded in life as business men.

The MEMORY of Mr. Scott should not be dropped after he had spent money, time and the most of all his good teaching.

R.E. Moye suggest that a troop of Scouts be organized with a troop committee and Scout Master selected from the PIONEER TROOP, Viz., Edd Scott and Name the troop the Edd Scott Troop.

The Following Men are the ones suggested to act as troop committee.

R.E. Moye, Chairman
Geo. Stonebreaker ass't
Lowdnes Treadwell "

and all of the Edd Scott troopp
if possible to get, ~~###~~ to function shall act as commiteemen. The Purpose of this troopp will be to carry out Scouting, first, second to reverence the Memory of The Late Edd Scott and to have the best troop in Desoto County.

ARE YOU WILLING TO Aid IN THIS WORK ?

Paul Kemp will act as Scout Master if you will do your part.

The above is a suggestion from Commiteeman Earnest Moye, therefore please drop Mr. Moye a line and see him also.

You shall have in addition, the cooperation Of the Desoto County Executive Committee and Chief Scout Executive John M. Danton of the Royal Palms Council at Ft. Myers which we are members of.

Yours for Scouting,

Commissioner.
