Dear "Old-Timer":

During the past four years we have made extensive improvements at Camp Flying Eagle and now have a Camp that we feel is second to none in Florida. We are tremendously proud of Flying Eagle!

We hope that you, as one of our "Old-Timers" of the Sunny Land Council, can find it possible to be with us at Camp Flying Eagle for a special "Old-Timers" reunion and open house, next Wednesday afternoon and evening, June 30th. Supper with the boys will be served at 6 o'clock.

We hope that you will come during the afternoon so that you can see the campers at their various activities.

If you do not have transportation, please so indicate on the enclosed card and we will try to see that it is furnished.

Please return the reservation card so that we may know how many to prepare for.

Looking forward to seeing you Wednesday afternoon,
I am

Cordially yours,

Fred L. Treat
Scout Executive
