THAT 3,000th BOY!

Sunny Land Council attained the 1,000-boy-member mark for the first time, in February, 1944. Scout Jack Gilbert of Sarasota had the distinction of being our thousandth boy.

^{april}
In ~~March~~, 195⁴, Scout Bobby Tomlinson, of Fort Myers, was honored when we first attained the 2,000-boy-member peak.

In recognition of the event, each of these boys was presented a complete Scout uniform at the time of his registration.

With our present membership well over 2,800 boys, there seems little doubt but that your Council will attain the 3,000-boy-member record before the close of this year.

Again, the Council will present a complete uniform to the Cub Scout, Boy Scout or Explorer who becomes the actual 3,000th boy. We will start a running, day-by-day inventory when we approach that mark and will give immediate publicity to the happy occasion and the lucky boy.

He might be a member of YOUR unit, so keep the additional enrollments coming in!
