Dear Sustaining Member,

Thank you for your 1976 contribution of \$733.75<sup>—</sup> as a 1976 Sustaining Member. This letter is to verify to you the amount for declaration on your 1976 income tax return.

Our 1976-77 program emphasis will be "77 New Horizons". This theme celebrating the fourth and last year of Scouting's American Bicentennial will be used for our Scout Shows in February and March and emphasizes our concern for the youth to grow up physically strong, mentally awake and morally straight. Your contribution played an important part to help us meet this challenge.

We hope we have kept you informed of the up-to-date happenings of Scouting in our area by mailing you the monthly issue of the Sunny Land Scouter. Any recommendation for the betterment of Scouting would be welcome.

Your continuing support is appreciated and we would like to take this opportunity to wish you a very Merry Christmas and a Happy New Year.

Sincerely,

*Martin O'Neill*
